

The Canada workers benefit came to me at a time when I was struggling. It was a relief because it's a nice little sum of money that you can allocate towards different expenses.

Every dollar counts!

Are you working hard but struggling to make ends meet? The **Canada workers benefit (CWB)** might be able to help! The CWB provides a financial boost to individuals and families who are in the workforce and earning a low income.

If you qualify for the CWB, claim it when you do your taxes. If you think your income will stay the same, you can also receive up to half of your benefit in **advance payments** instead of waiting for tax time!

How to claim the CWB

Do your taxes and follow the instructions in your certified tax software. For a paper return, fill out Schedule 6 in your income tax package.

How to apply for advance payments

Go to My Account or mail in the advance payments form. Applications must be received by August 31.

Have questions about the CWB? **1-800-387-1193**
Calling from the 867 area code? **1-866-426-1527**
