

THE BENEFITS WAYFINDER

CAN HELP PUT MONEY BACK IN YOUR POCKET

For many Canadians, searching for government benefits can feel like an impossible task. **The Benefits Wayfinder** is a simple, easy to use, plain language tool that helps people find and track federal, provincial and territorial benefits they could get. We've made it easy!

Supported by

THE DISABILITY BENEFITS COMPASS

The **Disability Benefits Compass** provides information about the four key disability benefits for persons with disabilities in your province or territory. It is helpful for people with disabilities, caregivers, family members and organizations who provide access to benefits support.
